Dear Dr. Vladan Celebonovic:

Thank you for reviewing the above manuscript, entitled "Calculation of effective pair potential via the volumetric data" for Phase Transitions.

We greatly appreciate the voluntary contribution that each referee gives to the Journal. We hope that we may continue to seek your assistance with the refereeing process for Phase Transitions, and hope also to receive your own research papers that are appropriate to our aims and scope.

Sincerely,
Prof. Sanjay Puri
Associate Editor, Phase Transitions
