Dear Igor,

you might know that Ezgi Erdogan from Gotthard's group would like to see you in the IMPRS seminar as external speaker. Herewith I kindly invite you for the seminar at November 10, 2010. (<http://www.imprs-dynamics.mpg.de/seminars.html>)

Please keep in mind that the seminar is for a broad spectrum of PhD students. Thus a good general introduction is highly appreciated.

The IMPRS covers travel and, if necessary, accommodation costs, but asks to use reasonable travel fares.

Best regards
