

Dear colleague,

We want to inform you that selected papers presented on Photonica2011 will be published in the Topical Issue of Physica Scripta.

- The manuscripts shall be submitted to the mailbox [photonica2011@vin.bg.ac.rs](mailto:photonica2011@vin.bg.ac.rs) before **September 2, 2011**.
- Although the number of presentations per author on Photonica2011 is not restricted, the number of accepted papers for publication in Physica Scripta will be limited to **two papers per author**.
- The maximal length of the manuscripts will be limited to **4 pages** for contributed papers and **6 pages** for invited.
- The Physica Scripta's "Instructions to Authors" can be found in the download section of the web site [www.physica.org](http://www.physica.org) or alternatively at the conference web site <http://www.vin.bg.ac.rs/photonica2011/>.
- All submitted manuscripts will pass the regular **peer review** process of Physica Scripta.
- The peer review process and final list of accepted papers for publication in Physica Scripta will be concluded and announced before **October 31, 2011**.

Kind regards,  
Organizing Committee
