

HP-SEE User Forum 2012, Belgrade

Thursday 18 October 2012

Computational Physics Session 1 (11:45-13:15)

-Conveners: Emanouil Atanassov

time	[id] title	presenter
11:45	[12] Using Structured Adaptive Computational Grid for Solving Multidimensional Computational Physics Tasks	Dr BOGATENCOV, Peter
12:15	[23] Computational approaches for electronic properties of semiconducting materials and nanostructures	Dr VUKMIROVIC, Nenad
12:45	[3] Reflections on Parallelization of Gravity Inversion	Prof. FRASHERI, Neki
