Dear Dr. Vladan Celebonovic:

Thank you for reviewing the above manuscript, entitled "Pressure induced non-linear optical properties in a wurzite GaN/AlxGa1-xN strained quantum dot" for Phase Transitions.

We greatly appreciate the voluntary contribution that each referee gives to the Journal. We hope that we may continue to seek your assistance with the refereeing process for Phase Transitions, and hope also to receive your own research papers that are appropriate to our aims and scope.

Sincerely,  
Prof. Sanjay Puri  
Associate Editor, Phase Transitions
