24-Dec-2009

Dear Dr. Vladan Celebonovic:

Thank you for reviewing the above manuscript, entitled "Changes of Thermo-Morphologic and Thermotropic Properties of Liquid Crystals at Direct and Reverse Nematic Mesophase  $\leftrightarrow$  Isotropic Liquid Phase Transitions: Surface-Induced Effect" for Phase Transitions.

We greatly appreciate the voluntary contribution that each referee gives to the Journal. We hope that we may continue to seek your assistance with the refereeing process for Phase Transitions, and hope also to receive your own research papers that are appropriate to our aims and scope.

Sincerely,  
Dr. Vinod Wadhawan  
Associate Editor, Phase Transitions
