

To whom it may concern

This is to confirm that **Prof. Vladan Čelebonović** has been a member of the **Programme Committee** at the following **5 International Schools on Condensed Matter Physics (ISCMP)**:

- 20th ISCMP
“Physics and Applications of Advanced and Multifunctional Materials”, September 3rd – September 7th,
2018 – Varna, Bulgaria
- 19th ISCMP
“Advances in Nanostructured Condensed Matter - Research and Innovations”, August 28th – September 2nd,
2016 – Varna, Bulgaria
- 18th ISCMP
“Challenges of Nanoscale Science: Theory, Materials, Applications”, September 1st – 6th,
2014 – Varna, Bulgaria
- 17th ISCMP
“Open Problems in Condensed Matter Physics, Biomedical Physics and their Applications”,
September 2nd – September 7th,
2012 – Varna, Bulgaria
- 16th ISCMP
“Progress in Solid State and Molecular Electronics, Ionics and Photonics”, August 29th
– September 3rd,
2010 – Varna, Bulgaria

Professor Vladan Čelebonović has served as **invited lecturer** at the following **8 International Schools on Condensed Matter Physics (ISCMP)**:

- 20th ISCMP
“Physics and Applications of Advanced and Multifunctional Materials”,
September 3rd – September 7th,
2018 – Varna, Bulgaria
- 18th ISCMP
“Challenges of Nanoscale Science: Theory, Materials, Applications”,
September 1st – September 6th,
2014 – Varna, Bulgaria

- 17th ISCMP
“Open Problems in Condensed Matter Physics, Biomedical Physics and their Applications”,
September 2nd – September 7th,
2012 – Varna, Bulgaria
- 16th ISCMP
“Progress in Solid State and Molecular Electronics, Ionics and Photonics”,
August 29th – September 3rd,
2010 – Varna, Bulgaria
- 15th ISCMP
“Interfaces, Thin Solid Films and Biomolecular Layers”,
August 31st – September 5th,
2008 – Varna, Bulgaria
- 14th ISCMP
“Advances in the Micro and Nano Physics of Solid and Soft Matter”,
September 17th – September 22nd,
2006 – Varna, Bulgaria
- 13th ISCMP
“Advances in the Physics and Technology of Solos and Soft Condensed Matter”,
August 30th – September 3rd,
2004 – Varna, Bulgaria
- 12th ISCMP
“Contemporary Trends in Condensed Matter Science and Technology”,
September 1st – September 6th,
2002 – Varna, Bulgaria

Sincerely yours,

Professor Hassan Chamati, PhD, DSc
Chairman ISCMP

Director, Georgi Nadjakov Institute of Solid State Physics
72 Tzarigradsko Chaussee Blvd.
Sofia 1784, Bulgaria
