Dear Jelena,

on behalf of the ATLAS Speakers Committee, I would like to invite you to give a (25+5)' talk at CKM2016, Mumbai, India, from Monday, November 28, 2016 to Saturday, December 3, 2016.

The title of this LHC+Tevatron talk is

Interplay between the top quark and the Higgs boson (including ttH measurements, searches for charged Higgs within top, etc.)
(LHC+Tevatron)

The web site of the conference is:

<http://www.tifr.res.in/~ckm16/>

Please acknowledge receipt of this invitation immediately so that I know you saw this invitation.

We recommend that you confer with your Institute representative before accepting the invitation,

and would be delighted if within 3 days of receiving the invitation you could either accept or let me know the status. I hope you can!

Marc (for the ATLAS Speakers Committee).
