Dear Jelena Jovicevic,

on behalf of the ATLAS Speakers Committee, I would like to invite you to give a 20-minute talk at the ([HSQCD2018](#)) in Gatchina, near St. Petersburg, Russia, from August 6th, 2018 to August 10th, 2018.

The title of the talk is:

Standard Model and Higgs physics with the ATLAS detector

Please note that this talk is categorised as a Regional talk, hence it **will not be counted** in your quota.

Please acknowledge receipt of this invitation **immediately** so that I know you are aware of the invitation and considering it.

We recommend that you confer with your Institute representative before accepting the invitation, and would be delighted if you let us know before **Saturday, July 28th** if you can attend the conference. I hope you can!

Please submit your availability through the following link:
<https://glance.cern.ch/atlas/speakers/invitations>

You can indicate your preferred conferences, black dates and favorite talk subjects in the [personal input](#) section of your [SCAB profile](#). Keeping your personal input up-to-date helps make the process to select speakers more efficient.

If applicable, please take into consideration any latest travel regulations or restrictions that could affect your entry into the host country on the relevant dates.

Best regards,
Gabriela Alejandra Navarro
(for the ATLAS Speakers Committee)
