

ATLAS Note

ATL-COM-PHYS-2018-1685

13th August 2019

Draft version 0.1

1

2 **Supporting documentation for the combined**
3 **measurements of Higgs boson production at**
4 **$\sqrt{s} = 13$ TeV using up to 79.8 fb^{-1} of**
5 **proton–proton collision data with the ATLAS**
6 **detector**
